

A lush, misty garden path leading to a stone archway. The path is made of irregular, flat stones and is surrounded by dense green foliage, including ferns and flowering plants. A small white dog is visible in the distance through the archway. The scene is bathed in soft, diffused light, creating a magical and serene atmosphere.

We are proud to present world-class entertainment created by Channel 4 star of "The Secret Cabaret", Simon Drake; who pioneered a brand new style for the presentation of magic world-wide.

"Simon, it truly was a special evening of delightful magic, humour and wonderful charm! I have seen a lot of shows (and done a few myself..) but there is something so extraordinarily intimate, timeless and epic all at the same time... Thank you for one of the best evenings ever!"
